## STATEMENT OF SUBSTANCE OF INTERVIEW

Mail Stop Amendment  
Commissioner for Patents  
P.O. Box 1450  
Alexandria, VA 22313-1450

Dear Sir:

In reply to the Interview Summary mailed July 25, 2006, Applicant has timely filed this Statement of Substance of Interview by Certificate of Mailing.

## REMARKS

In the Interview Summary mailed July 25, 2006, the Examiner required Applicant to file a statement of the substance of the interview with the Examiner on July 11, 2006. The applicant respectfully submits the following statement.

On July 11, 2006, a telephone interview was conducted between the undersigned and Examiner John Bastianelli. The undersigned appreciates the time and attention that Examiner Bastianelli afforded him in the interview. During the interview, the construction and operation of the present invention were discussed. In particular, the undersigned explained how the sensing logic initiates the rotation of the motor and how the braking logic terminates rotation of the motor by grounding the motor. The undersigned also explained how the electrical and mechanical switches operate during rotation of the motor, and suggested reading paragraph 25 of the specification in conjunction with paragraph 27.

Respectfully submitted,
